Hi David,

Please let me know if you have heard anything about 24 Michigan St. I have called the VP of claims, Jeff Moore, 3 times now and have also emailed him. He was to get back to me within 24 hours after we spoke, which was last Monday. There is something definitely wrong here. We are not going to cash that check for Michigan. It is obvious that something is going on, since no one will get back to us about this engineer's report and our questioning of the changes. Is it time to hire a lawyer?

Please let me know if you have heard anything, or can find out anything for us.

Thank you,

Deborah Ramey
